

“Meeting Point” of professionals in the Madrid air cargo community

 **MADCARGO**  
Foro Madrid Carga Aérea

# What is and who are the participants

Foro Madrid Carga Aérea (Madrid Air Cargo Forum), is an independent, non-profit organization of professionals in the Madrid air cargo community. The association is open to business professionals involved in the different segments of the air logistics chain:

- EXPORTERS
- IMPORTERS
- AIRLINES
- G.S.A. COMPANIES
- FREIGHT FORWARDERS
- CUSTOMS BROKERS
- INTEGRATORS
- HANDLING AGENTS
- PUBLIC ADMINISTRATION
- LAND SIDE TRANSPORT CARRIERS.
- ETC.

Foro MADCARGO also has space for professionals interested in Madrid air cargo that belong to other sectors like academia , science, industry, the media, etc.

OBJECTIVES

VALUES

PRESENTATION

# MAIN OBJECTIVES

- **Define airfreight transport strategies** to improve Madrid's competitive position.
- **Face the challenges** that arise in the development of air cargo by finding common positions among the professionals in the various activities involved in Madrid air cargo community.
- **Convey the interests shared by Madrid air cargo community** to the public administration bodies with responsibilities in the sector in a responsible and proactive manner with the aim of consideration being given to and planning done for the infrastructure, services and regulatory developments that will make it possible to solve inefficiencies hampering the competitiveness of the sector.
- **Promote the activity** of airfreight transport originating in and/or destined to Madrid airport.
- **Help to convince institutions and public opinion** of the strategic importance for economic growth and job creation if Madrid develops air cargo with the goal of leading the sector at the European level by creating social support which is currently non-existent.
